

# Cougartron Power30X Weld Cleaner

## DATA SHEET

### GENERAL DESCRIPTION

Power30X provides excellent results with all stainless steel TIG welds. In addition to perfectly clean weld seams, the machine also provides excellent results with electropolishing and marking.

This machine provides superior results on all stainless steel TIG welds in both small and large production environments. The Power30X gives you complete versatility with its 4 modes and it is perfect for both off- and on-site usage.

### TECHNICAL INFORMATION

<b>Machine weight</b>	6,51 kg
<b>Starter set weight</b>	14,05 kg
<b>Machine dimensions</b>	Height (with handle up): 378mm, width: 220mm, depth: 170mm
<b>Power input</b>	110v or 230v
<b>Application and capabilities of the machine</b>	Weld cleaning, electrochemical marking, electropolishing
<b>Weld cleaning method</b>	Electrochemical
<b>Metal type</b>	Stainless steel
<b>Weld type</b>	TIG – light and dark
<b>Recommended brush type</b>	Powerbrush
<b>Warranty</b>	2 years after registration

# Cougartron Power30X Weld Cleaner Machine Set Contents

PART CODE	PRODUCT NAME
<b>WELC1056</b>	Cougartron Power30X Basic Machine
<b>WELC2005</b>	Acid pot 500ml with lid
<b>WELC2047</b>	Cougartron lead with handle 4M, 50A (x-connector)
<b>WELC2064</b>	Cougartron transport case with foam insert – Large
<b>WELC2118</b>	Cougartron lead with earth clamp 4M, 50A (x-connector)
<b>WELC2149</b>	Cougartron microfibre cloth – 40x40cm (black)
<b>WELC2226</b>	Cougartron wand/twist shroud set (for 1x M6 brush)
<b>WELC3101</b>	Cougartron Powerbrush (M6, 30A) – 10 pack
<b>WELC3158</b>	CGT-N5 HyPerformance Neutralising Fluid – 500ml
<b>WELC2201</b>	Cougartron sprayer for spray bottle – orange
	IEC power lead 1.8M 230V (EU)
	Cougartron brand acid-resistant gloves
	Cougartron brand safety glasses
